Improved access to historical Census data

Community Profiles for 1996, and **QuickStats for 2001 and 2006**, are now available in the same improved format as 2011 and can be accessed via the search box on the Community Profiles and QuickStats entry pages.

Access to data is available free of charge in these products:

- Community Profiles: Census years 2011, 2006, 2001 and 1996
- QuickStats: Census years 2011, 2006 and 2001
- TableBuilder Basic: Census years 2011 and 2006.

On the [Community Profiles](#) and [QuickStats](#) entry pages, simply select the Census year from the Search box.

To use [TableBuilder Basic](#), you will need to register and then log in to access data.

Data for previous Census years are also available in other formats from the [Historical data](#) pages.

For help deciding which data product will meet your needs, visit the [Using Census data](#) and [Product help](#) pages.
